School Leaders Assembly Christmas Hamper

This Friday we will be holding our school leaders assembly and transition graduation. This assembly allows our potential school leaders to speak to the whole school to express why they think they should be considered as a worthy representative of our school. The assembly will start at 11:00am, parents and caregivers are welcome to attend and are invited to a small morning tea after our assembly.

Intensive Swimming

Our swimming will be held in the last two weeks of school at a cost of \$25 per students. Our students will have 12 swimming lessons in total. During our learn to swim all students will travel to Bingara and participate in 2 swimming lessons each day. The lessons will be separated by lunch and a break.

Students are asked to come to school in their swimmers with their school uniform over the top. The students are also expected to wear shoes and socks. The students will be getting dressed before they return to school so they need to have their underwear in their bags.

All students must have a swim shirt or rashie.

As we are there for the majority of the day student need to pack their lunch, recess and a water bottle. When packing lunches please remember we will not have access to fridges or heating facilities.

Our first day is this Thursday. Please return permission note and money by Wednesday morning at the latest.

Kindergarten Transition

This Friday 4th December will be the last whole day transition for our 2016 kindergarten students.

In addition our transition students will be presented their graduation certificates at our School Leaders and Transition Graduation Assembly.

Once again the P & C will raffle a Christmas hamper to be drawn at presentation evening. We are seeking donations of items to create the hamper. Last year people were very generous, we had a wonderful range of prizes to be raffled. Any donations would be appreciated. These donations can be dropped off at the school. If you have any chocolates in your donation please let one of the staff know so we can make sure that they are refrigerated.

Once again we thank you for your support.

Dog Safety Day

Last Thursday a Pet Safe instructor along with her lovely dog visited K/1/2 students.

The session taught our children dog awareness skills, how to approach dogs and what to do in difficult situations. Understanding dog behaviour and the way to approach them is a very important skill for children to learn. We hope that these skills may assist our students to stay safe around dog.

Cyber Safety

Last Thursday the primary class learnt about cyber safety from our local Police Officer Senior Constable Paul Drozdsweski. This was a very informative session and gave our students the knowledge to make informed decisions about their digital activities.

K/1/2 News

This week K/1/2 will be starting a unit on Christmas.

In class we will be learning narrative texts, this week students will be constructing their own narrative text to share with the new Kindergarten students on Friday. The classes grammar focus is Antonyms.

Kindergarten will be revising all letter names and sounds.

During maths this week all student will be learning about time. Students can practice this skill by reading the time to the hour or half hour.

So far this term K/1/2 students have enjoyed learning about transport, how it has changed over time and how it helps us everyday. This week students will finish designing and making their own form of transport.

Due to swimming and presentation night practice students will only have spelling words and home readers for homework for the rest of the year. Students are reminded to return home readers every day.

If you have any questions or concerns feel free to contact me at school. Mrs James

Presentation Night

Our end of year presentation night will be held in the Delungra Community Hall on Wednesday evening 9th December. All students need to be at the hall by 5:45 pm so they can get ready for our 6:00pm start. At the conclusion of the presentation night program there will be a short supper. All families are asked to bring a plate of food to share for supper as we have done in previous years.

Students are to attend presentation night in full school uniform. It would also be a good idea for students to have something to eat before they attend presentation night .
