Wednesday

# Delungra Public School

Newsletter Issue 40 14th December 2015 Term 4 Week 11

## Last Week 2015

This Wednesday is the last day of school for all students in NSW for 2015. Our teachers will be participating in training on Thursday and Friday. They will be trained in the new History & Geography syllabuses.

We would like to wish all families a safe and enjoyable holiday and a merry festive season. We look forward to seeing our students happy faces in 2016.

## 2016 Information

**January 27th** staff return for a Staff Development day. Teaching and administration staff will be at school if you require any uniforms in preparation for 2016.

**Thursday January 28th** students including Kindergarten return to commence Term 1, 2016.

**Friday January 29th** Swimming sport afternoon at Bingara pool. A permission note is attached for this excursion because of the short time frame next year. If you could return the permission note this week that would be great. Otherwise please do so on the first day back.

**Thursday February 4th** Delungra Public School Swimming Carnival at Warialda pool. Parents and caregivers are invited to attend.

## Intensive Swimming

Students will travel to Bingara over the next two days to complete our intensive learn to swim program.

On Wednesday our swimming organisation will change. Students will be at the pool until 11:30 am swimming. After 11:30 we will eat a special lunch provided by the school in the park next to the pool at Bingara. After lunch we will have some play time in the park then we will return to school for rewards activities. Students are

allowed to wear mufti for our last day but they must make sure that their mufti outfit is sun safe. Students will still need their hat, fruit, water bottle and recess.

Our new learn to swim structure is providing our students with three swimming lessons each day. In between lessons our students are learning important water safety information to keep them safe. It has been great to see the our students swimming confidence and skills improve throughout the program. Our new program has been very successful. We will continue this structure in coming years.

## Presentation Night

Congratulations to our students on their fantastic performances at presentation night. We really have very talented students at Delungra Public School.

A big thankyou to our staff for the time and effort everyone contributed to make the night a success.

We would like to congratulate all students who were recognised for their efforts during the year.

## Infants Awards
