### Covid-19 Guidelines

Thank you to all our families who have been keeping their children at home if they are feeling unwell. This has helped to keep our community safe.

Whilst there have been many changes to the COVID restrictions in communities across NSW, our school continues to operate under Level 3 guidelines.

Please see the information below so you know what to do if your child is unwell.

A reminder for all families

Students must not attend work or school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms must be sent home and not return to school unless:

- they have isolated for 10 days, when no medical certificate is available
- they have a negative COVID-19 test result and are symptom free.

In circumstances where children have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.

Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received. Find your local testing clinics.

### Kindy Transition

Kindy transition will be held on three days:

Wednesday October 27 9.30—11.30am

Wednesday November 3 9.30—11.30am

Wednesday November 10 9.30—1.30pm

Students will need to bring a hat, water bottle and piece of fruit with them.

The following Covid-19 requirements must be adhered to:

- Students must be fully enrolled prior to attending the transition program
- There will be a cone with your child's name on it outside of the school gate. Please wait here while abiding to social distancing rules. Mrs Dawson will come and collect your child. This is the same spot they will be picked up.
- Please provide the information sheet to Mrs Dawson
- Wait outside at the cone for Mrs Dawson to deliver your child
- Please ensure COVID safe practises are adhered to at all times. No gathering in groups

We are really looking forward to welcoming our Kindy 2022 class to our school and hope to make their transition to school an exciting and enjoyable time for them.

### School Visitor Check-in

A single School Visitor Check-in system for every school across the state will commence today. The Department of Education has partnered with Service NSW to provide a streamlined, digital school sign-in system for visitors and contractors at every NSW government school.

Benefits of the new system include-

- Linked to NSW Health's COVID-19 contact tracing ensuring every school is compliant with the NSW COVID-19 Mandate.

- Giving every school greater access to streamlined NSW Government services.
- Visitors such as parents and carer, contractors, service providers and volunteers.

All Check-ins must be made at the office, using Services NSW and the School Check-in feature at the bottom of the app.

There has been a few issues today, but hopefully these will be fixed this week. Visitors can be checked in at the office using an Ipad if you have phone issues.

## Musica Viva

Students will enjoy another virtual Musica Viva performance on Wednesday October 27, at 10.00am.

## Adventures in Antarctica

World-renowned harpist Alice Giles and fellow harpist Liena Lacey take students on a sonic journey to the icy plains, mountainous horizons, and unique wildlife of Antarctica. Students will discover the frozen wonder of this fascinating continent, complete with footage from Alice's own Antarctic expedition set to the ethereal sounds of the harp.

Our students really enjoy Musica Viva, their performances give our students access to high quality professional musical performances not available locally.

## Delungra Public School Koala Project

We still have more trees available, please call the school on 6724 8407 if you are interested in receiving some seedlings.

## Use of School Grounds

The use of school grounds before and after school or during school holidays is prohibited. Unfortunately there has been damage reported from the unauthorised use school grounds and facilities. The oval adjacent to the tennis courts is available for community use.
