### BIG BEACH WEEK

29 November to 3 December

**December 9 to 15  
Intensive Swimming**

## Library Day

Thursday

Primary class

Friday

Infants class

## Sport

Thursday

Primary and infants classes

## Kindy Transition

Our kindy class of 2022 have now completed their school visits. Our transition program will continue with Mrs Dawson's weekly visits to the pre school.

All students settled in well during their time at school and we are very excited to have such a fantastic little group turn the next page of their learning journey at Delungra Public School in 2022.

## High School Transition

Students attending Macintyre High School and Inverell High School next year will have a transition day this Thursday 18 November (full day) 9am-3pm.

Students will be able to travel by bus. If you would like your child to travel home on their normal school bus from Macintyre High School or Inverell High School they will need to be at the bus bay by 3.20pm.

## Covid-19 Guidelines

Thank you to all our families who have been keeping their children at home if they are feeling unwell. This has helped to keep our community safe.

Whilst there have been many changes to the COVID restrictions in communities across NSW, our school continues to operate under Level 3 guidelines.

Please see the information below so you know what to do if your child is unwell.

A reminder for all families - Students must not attend work or school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms must be sent home and not return to school unless:

- they have isolated for 10 days, when no medical certificate is available
- they have a negative COVID-19 test result and are symptom free.

In circumstances where children have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.

Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received. Find your local testing clinics.

For more information please use the link below:

<https://education.nsw.gov.au/covid-19/advice-for-families/level-3-schools>

**If your child receives a Positive Covid 19 test result please inform the school as soon as possible.**

If you have changed your phone number or email address recently please contact the Office, it is essential that we have current contact details for every family.

Bringing you a whole week of beach and water safety activities to help your students prepare for the summer ahead!

Unable to bring our usual Beach to Bush program to our regional communities, we have decided to this year bring schools a whole week of fun to help your students and their families prepare to be safe in and around water. Following the year that has been, it is even more imperative to make sure that we are preparing our communities to stay safe as they make their way out of their homes and to our beaches, rivers, lakes and pools.

Surf Life Saving NSW will be presenting their Beach to Bush program virtually this year.

#### BIG BEACH WEEK

29 November to 3 December: Beach to Bush 2021

#### Key beach safety messages

- ♦ Find the red and yellow flags and swim between them
- ♦ Look for and read the safety signs
- ♦ Ask a lifesaver or lifeguard for safety advice
- ♦ Go swimming with an adult
- ♦ Signal for help when you get into trouble in the water
- ♦ Dangers of rip currents

## How to stay safe at the beach

The beach is for everyone to enjoy. Knowing how to stay safe while at the beach will make sure that you and your family have the best day possible.

## Ocean Myth Busters (3-6)

Come and explore some of the greatest myths of the ocean and coast with a real lifesaver in our FREE virtual sessions.

## Effective Learner Award

### Term 4 Week 7

For excellent effort in spelling

## Super Sport Award

### Hunter Term 4 Week 7

For trying hard in fundamental movement skills
