Important Dates to Remember!

**Thursday
2nd December
Inverell & McIntyre
High School
Transition Day**

BIG BEACH WEEK

29 November to 3 December

**December 9 to 15
Intensive Swimming**

Library Day

Thursday

Primary class

Friday

Infants class

Sport

Thursday

Primary and infants classes

Yarning Circle

Last week was a big week for our yarning circle, with the installation of our sandstone blocks. It has transformed our garden area. We are looking forward to our koala sculpture being completed and delivered by the end of the year, as well as our native plants.

High School Transition

Students attending Macintyre High School and Inverell High School next year will have a transition day on Thursday 2nd December (full day) 9am-3pm as it was postponed last week.

Students will be able to travel by bus. If you would like your child to travel home on their normal school bus from Macintyre High School or Inverell High School they will need to be at the bus bay by 3.20pm.

Naplan Readiness

Delungra Public School is moving to Naplan Online in 2022. In preparation our school will be participating in a readiness test this week. This will involve students in Years 3 & 5 completing a short test to build the staff and students capability with the online testing site. The school readiness test is not an assessment and students attempts will not be marked or recorded.

Learn to Swim

Our learn to swim program will be held at the Bingara pool from 9th—15th December. It will be at a cost of \$30. The program will take place under the Department of Education's covid safe guidelines for schools.

Permission notes and more information will go home later this week.

Covid-19 Guidelines

Thank you to all our families who have been keeping their children at home if they are feeling unwell. This has helped to keep our community safe.

Whilst there have been many changes to the COVID restrictions in communities across NSW, our school continues to operate under Level 3 guidelines.

Please see the information below so you know what to do if your child is unwell.

A reminder for all families - Students must not attend work or school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms must be sent home and not return to school unless:

- they have isolated for 10 days, when no medical certificate is available
- they have a negative COVID-19 test result and are symptom free.

In circumstances where children have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.

Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received. Find your local testing clinics.

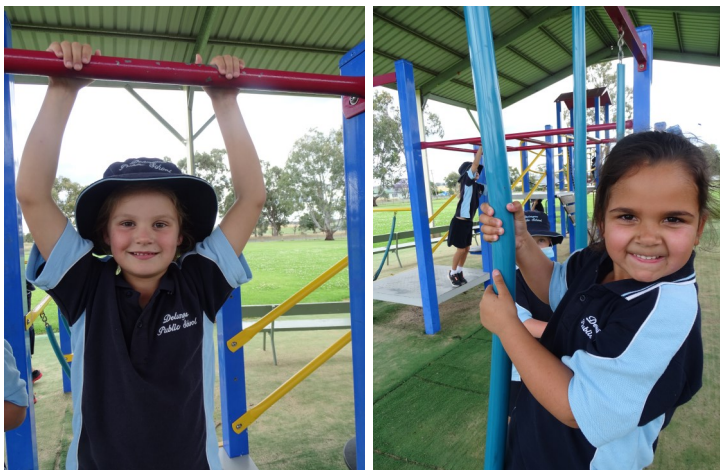

For more information please use the link below:

<https://education.nsw.gov.au/covid-19/advice-for-families/level-3-schools>

If your child receives a Positive Covid 19 test result please inform the school as soon as possible.

If you have changed your phone number or email address recently please contact the Office, it is essential that we have current contact details for every family.

Our students have fun in the playground
