Thursday Primary class

Friday Infants class

Sport

Thursday

Primary and infants classes

Student Leadership Speeches Learn to Swim

Speeches for our 2022 Student Leadership roles were held last week.

Students in Years 4 and 5 presented very compelling speeches highlighting the reasons they should be selected for next year's leadership roles.

Presentation Day

Presentation day will be held on Tuesday, December 7 at 10.30am.

The event will be held under the Department of Education's Covid Safe Guidelines for Schools. Due to the current Public Health Orders parents/caregivers will not be able to attend. Parents and caregivers can attend the live Zoom session.

The Zoom presentation will be recorded for those who are unable to view it live, please contact the office for the link.

Please check Skool Loop for login details for the Zoom connection.

High School Transition

Our Year 6 students really enjoyed their High School transition last week. They are feeling very confident after their school orientation and introduction to how high schools operate.

Personal Development Day

Mrs Connor presented her program to our Year 5 & 6 girls today but unfortunately she was called away.

The personal Development session for our Years 5 & 6 boys will be held tomorrow commencing at 12.15pm.

Our learn to swim program will be held at the Bingara pool from December 9 to 15. It will be at a cost of \$30. The program will take place under the Department of Education's Covid Safe Guidelines for Schools.

The bus will leave at 9.30am and return by 2.30pm. Students will be accompanied by Mrs Dawson, Mr O'Donnell & Miss Muggleton.

Students will need their morning tea, lunch and plenty of water.

Please return permission notes and money tomorrow.

Beach to the Bush

The virtual Beach to the Bush program was great last week. It was very informative for our students especially at this time of the year when they may be going on holidays to the beach.

Works Notification Delungra Public School

Upcoming maintenance works at Delungra Public School will require working with asbestos containing material.

As a precaution, the area will be cordoned off during works and remain out of bounds to

students and staff until remediation is completed.

The material is scheduled to be removed during demolition of Block D (sports shed and GA Shed) between Monday 3 January and Friday 28 January 2022. All asbestos containing material will be removed outside of school hours.

There will be no access to Delungra Public School grounds for everyone over the up coming school holiday period.

More details on the attached information sheet.

Covid-19 Guidelines

Thank you to all our families who have been keeping their children at home if they are feeling unwell. This has helped to keep our community safe.

Whilst there have been many changes to the COVID restrictions in communities across NSW, our school continues to operate under Level 3 guidelines.

Please see the information below so you know what to do if your child is unwell.

A reminder for all families - Students must not attend work or school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms must be sent home and not return to school unless:

- they have isolated for 10 days, when no medical certificate is available
- they have a negative COVID-19 test result and are symptom free.

In circumstances where children have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.

Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received. Find your local testing clinics.

For more information please use the link below:

<https://education.nsw.gov.au/covid-19/advice-for-families/level-3-schools>

If your child receives a Positive Covid 19 test result please inform the school as soon as possible.

If you have changed your phone number or email address recently please contact the Office, it is essential that we have current contact details for every family.

Effective Learner Award

Ben O'Dell Term 4 Week 10

For pleasing improvement in all learning areas

Super Sport Award

Term 4 Week 10

For filling other students buckets during sport
