Years 1 & 2 Section –

Highly Commended - Lavinia

Multicultural Perspectives Public Speaking Competition

Our primary class has continued working on their speeches and last week we asked some of our students their thoughts on how this experience has been for them. Their comments are on page 4.

National Sorry Day

Last Friday, 26th May, was National Sorry Day.

The activities for the day included primary listening to a song by Archie Roach called 'Took the Children Away' and the infants students got creative with some colouring in.

During our discussions, Elsie told us that this day is a day where Aboriginals were taken away from their families and Bailey said the reason we have this day is, so we remember not to do it again.

Primary students' comments are on page 2.
