Term 4 Week 5  
6th November  
2023

## Welcome to Week 5

### Primary Excursion

Our primary students have returned after their adventurous excursion all over Sydney, and boy did they have a blast!

This excursion wasn't just about fun though, it comes under the HSIE and maths curriculum.

Students had been preparing and learning in the weeks leading up to their departure through various ways such as Google Earth and maps, becoming familiar with the addresses of the places they were to visit and their accommodation. One of the students even corrected a staff member by saying it was an Avenue rather than a Street. Photos will follow in the weeks to come.

### Drop off/pick up zone and bus bay zone

Just a reminder of our designated drop off/pick up and bus zone areas. The top gate of the school is a designated bus zone area, with the driveway gate being for drop off and pick up. Of an afternoon, students either line up in the bus line if they are catching the bus home, or wait in the pick up line if they are walking home or being collected. Please ensure you drop off and pick up in the correct area for the safety of the students, and be mindful that students are around and their safety is priority.

### Free Piano

We still have an old piano for free.
