

Delungra Public School Newsletter

Term 4 Week 5
11th November
2024

Welcome to Week 5

Landcare Workshop

On Wednesday, students will travel by bus to Myall Creek to participate in a Northern Slopes Landcare Workshop for Pollinator's Week.

There is no cost for the excursion, however, permission notes are required and should be returned via the school office or online with School Bytes.

See page 4 for more details.

Inverell High School Year 7 Transition

This Thursday is a transition day for our year 6 students going into year 7 next year at Inverell High School.

It will be a full day transition with parents to arrange transport to and from the school.

We wish our students a

great day and lots of new experiences.

Skool Loop and School Bytes

For those families who use Skool Loop, it may be asking you to enter a passcode. Please enter 'delungra' which will hopefully allow you to access the app as normal. We are however planning on fazing out Skool Loop with the new program School Bytes to take over its place. School Bytes has an option to add absences, which some families are already using, as well as being able to view our weekly newsletter.

Stay tuned for when this change is going to happen and, as usual, you are always more than welcome to contact the office if you need to.

Friday

OUR AWARD WINNERS

Effective Learner Award

Ava Ehsman

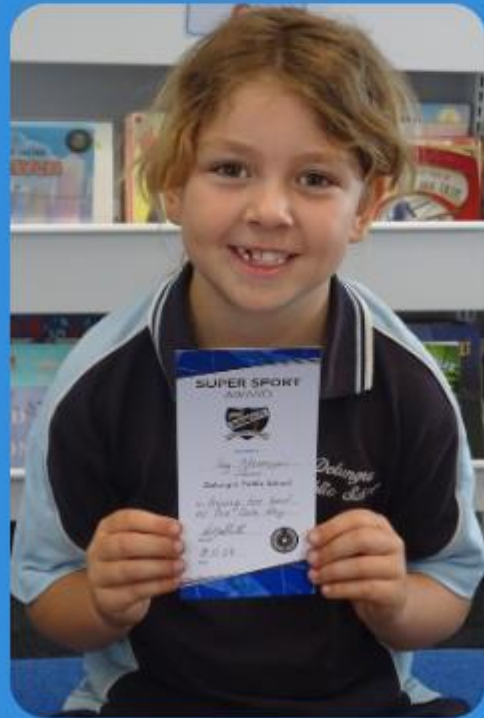

For always willing to help others.

Super Sport Award

Ivy Stevenson

For trying her best at the Gala day.

Musica Viva Performance

Last Tuesday, Delungra Public School and Gum Flat Public School students were taken on a musical journey all thanks to the presenters from Musica Viva Australia.

We had four presenters visit us with students getting to listen as well as interact during the performances.

Thank you to Musica Viva Australia for the performances you provide to us, and to Gum Flat Public School for joining us.

See pages 5 and 6 for photos.

Gala Day

What a magnificent but hot day it was last Thursday at the Sapphire Small Schools Gala Day.

DPS was joined by Gum Flat Public School, Gilgai Public School, Tingha Public School and Bonshaw Public School, taking part in hockey, netball, football and basketball activities.

All students were able to mingle with each other, catching up with newly made friends from previous times.

Our very own Hunter, Louise and Riley B received a Highlanders' shirt after showing their skills during the football drills. A huge thank you to the organisers for their efforts and to the sporting teachers for their participation.

See page 7 for photos.

REMEMBRANCE DAY

Today, 11th November, marks Remembrance Day. Remembrance Day commemorates those who served in wars and armed conflicts on the anniversary of the World War I armistice.

Students will participate in Remembrance Day activities, showing their respect to all those who have bravely died or suffered for us.

Landcare Workshop

[Online Form - Northern Slopes Landcare Workshop - Pollinator's Week](#)

Activity Name:	Northern Slopes Landcare Workshop - Pollinator's Week
Date/Time:	Wednesday 13 November 2024 10:00am - 2:00pm
