Term 1 Week 11
7th April 2025

Welcome to Week 11

Easter Activity Day

We look forward to you joining us this Friday, 11th April for our Easter Activity Day.

This will be a fun day for all commencing at 12 noon for our luncheon followed by many activities during the afternoon.

Unfortunately, there won't be a P&C Easter Raffle this year.

Please see page 7 for your invitation and for more information.

R.S.V.P is due back tomorrow.

We look forward to seeing you all!

Mufti Day - Easter Inspired

Students are invited to come dressed in an Easter costume or Easter-inspired clothes for our last day of term 1.

Kids' Cafe Term 1

This Friday's Kids Cafe won't take place due to our Easter Activity Day. Primary students will be making the planned pasta bake for our luncheon on Friday instead.

Kids' Cafe Term 2

Exciting new! Our Kids' Cafe will continue in Term 2! This will commence in week 1 (no cafe week 2). Mrs Barnes is preparing the menu so please stay tuned for this shortly, and for the order form.

We are able to host our weekly cafe due to the generous donation of mince by Bindaree Beef, and our staff's and your support so thank you.

Term 2 Commencement
Term 2 for students commences on Wednesday, 30th April.

Infants' Classroom News

Last week in Art, the infants engaged in mindful colouring, which is a creative activity that promotes relaxation and well-being. Mindful colouring can help reduce anxiety and stress by allowing children to focus on the present moment, encouraging a sense of calm. During the session, we started by tracing our hands to create a base for our artwork. The children then drew lines through their hand outlines, allowing for creative expression. Then they added vibrant colours to create beautiful patterns, fostering both creativity and mindfulness.

CLASSROOM NEWS

PRIMARY CLASS

Art

We have continued to learn about painting and drawing animals.

We are drawing giraffes and we have almost all finished our cat in the hat artwork. It has been lots of fun learning the techniques of drawing and painting.

Here's what we have been learning...

In our latest gardening adventure, Mrs. Pagett guided us through the exciting process of planting vegetables as part of our science curriculum! We rolled up our sleeves and got our hands dirty as we planted beetroot, peas, and a variety of other seedlings in the garden. We can't wait to watch our plants grow and learn more about caring for our environment!

Reporting from the primary class are students Hudson and Ryan.

King's Christian College Visit

Last Friday, King's Christian College from the Gold Coast joined us at DPS, playing sport with our students, and even helping out with our Kids' Cafe.

King's Christian College - thank you for your visit to Delungra Public School.

Road safety

Driving safely near school buses

Buses use signs and flashing lights to warn drivers that they're picking up or setting down school children, and that there may be children crossing or about to cross the road.

By law you must not travel past a bus in the same direction at more than 40km/h while the lights are flashing. This applies whether the bus is stationary or moving.

Buses cannot stop quickly because they are large and heavy vehicles. They can also have much larger blind spots than other vehicles. So, remember:

- Reduce speed to 40km/h when bus lights are flashing, unless a lower speed limit applies
- Watch out for children crossing, or about to cross the road
- Never park in or near a bus stop or bus zone.
- Give way to buses

Informal school bus stops

In rural and regional areas there are many informal school bus stops that don't have signs or structures, such as bus shelters. They may be at the end of a driveway or on the side of the road, which may make children difficult to see.

Slow down to 40km/h when bus lights flash, follow signs, and look out for children crossing the road. A stationary bus can block the view of children, so drivers need to slow down.

Children learn safe road user habits from you and will continue them when they are old enough to travel alone.

For more information on keeping children safe in the road environment visit the families section on safetytown.com.au
