Welcome to Week 4

DPS Swimming Carnival

What a great day it was last Friday for our annual Swimming Carnival.

All DPS students attended the Bingara Swimming Pool for a day full of water activities, and the chance to win a medal for those who qualified.

We would like to say a big congratulations to all our students on their effort and behaviour during this event. This was our two kindergarten's first swimming event and they did amazingly.

Thank you to our parents who came to support our students, and also to those parents who took photos to provide to the school. Photos are on pages 3 and 4.

The results from the day are as follows:

Junior Girls

Champion - Willow Akers

Runner Up - Louise Savage

Junior Boys

Champion - Hudson

Moffitt

Runner Up - Riley

Robinson

Senior Girls

Champion - Ava Ehsman

Runner Up - Ella

Henningsen-Lombo

Senior Boys

Champion - Nate Reive

Runner Up - N/A.

Congratulations to our award recipients, and to all our students for their great participation.

Ava, Huddy and Riley will be receiving their Zone note with event details tomorrow.

Effective Learner Qualities

Curiosity prepares the brain for learning and makes subsequent learning more enjoyable and rewarding. By being curious, students will be able to discover new information and improve their understanding of a topic.

Regular attendance has countless benefits for students' learning, wellbeing and development.

Talk to us about how we can work together to build positive attendance habits.

ROAD SAFETY INFORMATION

YOU ARE RESPONSIBLE FOR YOUR CHILDREN'S SAFETY WHEN THEY ARE TRAVELLING TO AND FROM SCHOOL

Walk safely

Always hold your children's hands – when walking on the footpath, in the car park and when crossing the road – until they are at least 8 years old.

When your children are between 8 and 10 years old, supervise them very closely when they are near traffic and crossing the road.

When you decide to let your children over 10 years old walk to and from school by themselves, plan the journey together. Practise being a safe pedestrian by:

- keeping to the left of the footpath
- being aware of vehicles coming in and out of driveways
- not being distracted by mobile devices or by other people
- using a safe, alternative way home in wet weather
- showing respect to other pedestrians.

STOP! one step back from the kerb.
LOOK! continuously look both ways.
LISTEN! for the sounds of approaching traffic.
THINK! is it safe to cross?

For further support

Go to the department's Road Safety Education program at <https://education.nsw.gov.au/road-safety-education> or visit <https://education.nsw.gov.au> and search for road safety

Encourage your children:

- to always use a safe place to cross the road such as a pedestrian crossing, traffic lights or a school crossing, if available
- to check for turning vehicles before they cross the road and driveways
- never to assume that a driver can see them or will stop for them
- to make eye contact with a driver so they know the driver has seen them
- to wait till the driver has completely stopped their vehicle before they cross the road or driveway.
