### Happy Holidays and

### Merry Christmas

We would like to take this opportunity to thank all of our lovely students for their behaviour and work this year. It is a real privilege to work with such wonderful students. Thank you to all of our parents and caregivers for your support this year.

From all the staff at Delungra Public School may all families have a safe and enjoyable holiday and a merry festive season. We look forward to seeing our students happy faces in 2019.

### Last Week 2018

This Wednesday is the last day of school for all students in NSW for 2018. Our staff will be at school participating in training on Thursday. Our staff will not be in the school on Friday as they have already completed this training day throughout the year during evenings and on weekends. This will mean our school will not be open on Friday to take phone calls. Should you wish to speak to our staff please do so before Friday.

### Intensive Swimming

Our intensive swimming program finishes tomorrow. All students have made significant improvement in their swimming over the last week.

#### Student Reflections:

I can swim from the deep end to the shallow end and I can touch but not in the deep end.

In swimming I can swim from the deep end to the shallow end. I like diving in.

Tallan

I have become more confident in jumping in the deep end.

Marke

We did gliding and we learnt how to blow bubbles, we also learnt how to float.

Lauren

Our group learnt how to do proper backstroke.

Aiden

I learnt to swim without a floatie. I can touch in the shallow end.

Semester two reports were sent home today. If you have any concerns please contact your child's teacher to make an appointment to discuss the issues.
